BE CREATIVE

Encourage student engagement with the natural, intuitive touchscreen and pen-point accuracy of the **optional HP USI Garaged Pen**[3]. Charge and store in the pen's garage on the keyboard, reducing the chance it gets lost throughout the day.

COLLABORATE AND ENGAGE

Unleash creativity with multimedia tools that let students record, broadcast, and chat with the user-facing camera and **dual microphones**. Students can see what's recording onscreen and capture photos with the optional **auto-focus world-facing**[4] **8MP** 2nd camera.

AMAZING POWER

Quickly access videos, assignments, and more with the latest Intel® Celeron® processor[2], and up to 8GB of **LPDDR4X** RAM providing increased memory speed and efficiency.

STAY CONNECTED

Learn uninterrupted, even in crowded wireless networks at a long range, with **Wi-Fi 6 WLAN**[8] module, supporting MU-MIMO[16] and HP Extended Range Wireless LAN[11].
